PRAYER & PRAISE

Pray for the Abe Plett family (Abe is a brother to Reynold and Erna - son to Anna Plett) Abe Please continue to pray for Abe and his children.

Nolan continues to fare well in his treatment schedule. He would like and his parents for him to return to school by September but it is looking like October will be more likely due to the hard hitting chemo treatments that knock down his body's defenses. We continue to pray that he would avoid complications and setbacks and that he would stay in remission. Also that Nolan would experience just how real and present our God really is.

Pray for the summer ministries (VBS & Camp) Pray for the young people that came to Jesus Christ over the summer that they will stay strong and find a community of faith and that they will not fall back.

Sonsparks Lab team wants to express our thanks for hosting Community VBS, providing volunteers and giving of your time and resources. A special thank you goes out to Maureen and Debbie for turning this place into an awesome science lab. The children had many opportunities to Discover God's plan 4U=Jesus, through games, crafts, and Science and Bible Adventures. My heart was stirred, when a child not only asked for a Bible for himself but his mom too. God certainly was a part of this week's ministry. Our mission project, "The Greatest Journey" - a 12 week Discipleship course through Operation Christmas child has been very successful too. Again thank you for your prayers and support.
