

Reynold & Anna Plett

Family Feature

We have attended PEC for 25 years and we enjoy the multi-generations that make up this congregation.

Our son, Kevin, and daughter-in-law, Megan, have been married for nine years and live five miles south east of Portage on the yard where we lived for 17 years. Kevin owns a truck/trailer unit hauling grain and fertilizer. Megan is a stay at home mom. Their children are Jackson, Kolton and Keira. Our daughter, Lori, and son-in-law, Jeremy Schierer, live in Townsville, Queensland, Australia. Here they work with Youth with a Mission and Jeremy is the captain of the missions' medical ship with which they do work in the remote villages of Papua New Guinea. Their children are Monty and Reuben.

Anna works at the MCC Thrift Shop three and half days a week. She also likes reading, making cards, nature, and playing with their grandchildren. She is waiting for an MRI appointment to see what will be done with the fractured vertebrae in her back.

Reynold is at YFC here in Portage.

Reynold has been having seizures for the last two years and in Dec of 2013 was diagnosed with Temporal Lobe Epilepsy. In August 2015, he will be getting another test done to see if there is anything else going on. On Aug. 3, he will be starting to decrease two of his three seizure medications (under direction of his neurologist). Those two have to be out of his system by Aug. 24th when he will have an EEG monitor attached to his head (at the Health Sciences Center) for four days of continuous monitoring. He will come home but will have to go in the next three days to have the recordings transferred to computers and check if the wires are all in place. He is also not allowed to drive during this whole process. We have no clue what his body will go through during this time, but we know we are in God's hands and your prayers on our behalf are very much appreciated.

PRAYER & PRAISE

Nolan – Nolan continues to receive Chemotherapy via both IV and spinal fluid injections. Pray that he avoids complications like infection and stroke and that through everything God's will would be done in and through him.

Please pray for Ed Nikke as he continues to recover from a stroke.

Aiden Paas- we thank God for all of you, for your prayers which helped us through. We would still appreciate prayer for this next stage, as the highest probability of a recurrence is in the first year following the completion of the chemotherapy treatments.

Praise God for the 8 children who accepted Christ at Highway Pentecostal VBS last week!

Dakota Tipi - Attendance has been low the last few weeks. Please pray for the believers to be encouraged. Pray for an awakening/revival in the hearts of the residents in this community.
