

Family Feature

Wes & Nancy Zacharias

Wes and Nancy have attended PEC with their 3 children (Ashley, Alyssa and Graham), for approx. 9 years. Both their daughters help in the nursery during church services and enjoy spending time with family and friends. Alyssa is also involved with the youth worship team. Their son enjoys a variety of sports and enjoys hanging out with cousins and friends as well. Wes works at Richardson Milling as a purchaser and Nancy works at SB Vegetable Growers Ltd. as a bookkeeper. Wes and Nancy both enjoy to golf and for the last few months have incorporated weekly coffee date nights to cultivate into their marriage. They appreciate PEC's passion to speak and teach biblical truths and also encourage us to live and seek out those truths for ourselves. A prayer request would be for us as a family to dig deeper into God's word and apply that into our daily lives.

PRAYER & PRAISE

Nolan – Nolan continues to receive Chemotherapy via both IV and spinal fluid injections. Pray that he avoids complications like infection and stroke and that through everything God's will would be done in and through him.

Praise God that Ed Nikkel is continuing to improve after his stroke.

Aiden Paas- we thank God for all of you, for your prayers which helped us through. We would still appreciate prayer for this next stage, as the highest probability of a recurrence is in the first year following the completion of the chemotherapy treatments.

Dakota Tipi - Attendance has been low the last few weeks. Please pray for the believers to be encouraged. Pray for an awakening/revival in the hearts of the residents in this community.

Praise God for His answer to prayer for the Moman's purchase of the Yellowquill Motel. May God be glorified through their work with the youth in this new opportunity.
