

FAMILY FEATURE

Lloyd & Donna Moman

We've attended PEC for 11 years now. We really appreciate the emphasis at PEC on teaching and living the Word of God. God has blessed our growing family with many sons, daughters, brothers, sisters, and grandchildren - some of them are even biological. We enjoy getting together and eating, playing games, hanging out, camping, boating, laughing, sitting around a fire, and playing with the children. Most of us work at Countess Place, a home for teen girls. This gives us the opportunity to share the love of Jesus, and the joy of family with girls who have never known either one. Please pray for godly harmony and humility in our family. Pray that we would continue to share our family joyfully and continue to be blessed by each member the Lord adds.

PRAYER & PRAISE

2 young 13 year old boys:

- Nolan – Test results came back and thanks be to God his results are good! The bone marrow aspiration reveals the interventions thus far have successfully sent his cancer into remission. He will continue with chemo which is of course difficult and unpleasant in side effects. This news is very encouraging and renews hope. Thanks for praying
- Aiden Paas – Aidan has been DISCHARGED from the Children's Hospital a month ahead of schedule! Praise God!!

Marvin & Rachel Giesbrecht's baby girl was delivered last Wednesday (June 25) but had already left her little body to be with the Lord. Please support them with prayer as they grieve the lost opportunity to get to know her and parent her further.

Dan Poovang's mom passed away this week, remember their family in prayer.
