One Hope Canada

Praise God for the 42,130 children who attended camps this summer...
14612 from unchurched homes;
1828 1st time professions of faith.
This year camps across the nation fled from forest fires, harsh weather, shortages of staff, and many campers came with troubling life circumstances.

Plan to Protect Information

Children ages 5 and under need to be signed in and out of their classrooms.

Nursery 1 / sign-in and sign-out in the **Nursery**.

Nursery 2 / sign-in is with the hall monitors in the **Common Room**; sign-out in the **Youth Room** upstairs.

Parents will be assigned a family number to be projected on the sanctuary screen to call them as needed.

In case of emergency, please trust our trained staff with your children. Please exit the building and do NOT to attempt to get your children. Retrieve your child from the "meeting area" in the South Parking Lot, by sign-out on the class attendance sheet each **teacher** has.

Hall monitors know which children are in the washrooms. **Ushers** will check if there is anyone else in the washrooms. **Pastors/Elders** will go to Nursery 1 and help evacuate the little ones. Each room has an emergency evacuation plan. The leaders know what to do and are accountable for all the children in their care.
