PEC Budget Update

2016 Budget	\$316,760
Required by Sept 30	\$237,571
Received by Sept 30	\$192,093
Shortfall	\$ 45,478

September income was close to what's needed for a month. This still leaves us with quite a shortfall year-to-date. We have three months to meet this requirement!

God has been faithful to provide.
