

## Family Feature

Preston & Linda Meier

We have been attending PEC for 4 or 5 years now. I work as an Educational Assistant at La Verendrye School and enjoy reading, gardening and crafts. Preston works for MIG Insurance, enjoys golfing and being very involved in the community. We have three adult children, Josh, Jodee and Justis.

Josh just completed the business program at Red River and is currently working part time, but looking for full time. Jodee is working full time, but planning to go to Red River in the fall. Justis just completed his second year of a three year golf course management program at Niagara -on -the -Lake, in Ontario, and is working full time there through the summer. He re-committed his life to Christ a year ago February, and is very passionate about sharing his faith every chance he gets!

Some things I've come to really appreciate about PEC is the love I've received and seen given to others, as well as the passion for more of the truth, the humility and the honesty that is being practiced here. For me, it's a place where I can safely grow and be stretched in Christ.

I would appreciate prayer for my family in that we would all be restored and renewed in Christ!
