2017 Budget Update as of Aug. 31st

2017 Budget	320,616
Required by Aug. 31 st	213, 744
Received by Aug. 31 st	168,653
Shortfall	45,091

We are about 20% short of our budgeted income by this point. Fortunately we have not had to spend the full budgeted amounts to date, therefore the general account is not in a critical situation yet. However, going into the fall and winter our expenses will increase and we will need to make up most of the shortfall by year-end. Much is required, but much has been given to us by the Lord.

Blessings as you contribute.
