### 2017 Budget Update

2017 Budget	320,616
Required by March 31st	80,154
Received by March 31st	59,641
Shortfall	20,513

**We had an amazing 2016, exceeding the budget by year-end!** The 2017 budget is only 1.1% higher than last year. However, we have fallen significantly behind at this early stage in the year. God is faithful to provide, as long as we are obedient.
