Blessing Motherhood

“A wife of noble character who can find? She is worth far more than rubies.

Her husband has full confidence in her and lacks nothing of value....

She watches over the affairs of her household and does not eat the bread of idleness...

Her children arise and call her blessed; her husband also, and he praises her:

“Many women do noble things, but you surpass them all.”

Charm is deceptive, and beauty is fleeting; but a woman who fears the Lord is to be praised.

Honor her for all that her hands have done, and let her works bring her praise at the city gate.”

Proverbs 31:10-11, 27-31

Not to us, O Lord, not to us but to your name be the glory...Psalm 115:1
